### Observed Holidays

<tr>
<th>Recycle &amp; Trash Service Days</th>

</table>

**Large Garbage Pick Up Dates:** Thursday, May 14 and Thursday, September 17

### Additional Container Needed

Overloaded containers will result in waste spilled onto the ground when automated loader attempts to deposit into truck. In this case a 3rd container is needed to contain the excess refuse.

We recommend that you place your containers near the edge of the roadway the evening before pick up.

Please keep your containers off the roadway or alleyway.

### Container Inaccessible

There should be at least 3 feet of clearance between your cart and any other object, i.e. mailboxes, trees, vehicles, poles, guide wires, etc.
