## **Board and Commissions Appointment Policy Requirements**

Town of Burns Harbor  
September 2009

The Town Council of the Town of Burns Harbor believes that it is good public policy to communicate its expectations of candidates for position openings on all Boards and Commissions of the Town. These policy requirements will apply to all appointed positions, whether the appointment rests with the Town Council, the Town Council President or a multiple jurisdiction. Further, positions for service as an appointed officer on a board or commission should be seen as opportunities for service.

A candidate for appointment must file a complete application with the Town Clerk-Treasurer prior to the announced deadline.

Candidates must be available for interviews.

Qualifications for appointment are fixed by law and vary in some cases depending on the board or commission. In most cases, candidates must reside within the municipal boundaries of the Town of Burns Harbor. When statutory provisions are silent regarding residency, it is still preferred unless the appointment is shared with other jurisdictions or is regional in nature. The candidate in the form of driver's license, voter registration record, or other acceptable documentation must validate residency.

Candidate voting records may be reviewed at the Porter County Voter Registration Board. In some cases, party affiliation must be considered for appointment, due to Indiana law. A letter from the chairman of the county party of your expressed affiliation may be necessary if voter records cannot determine party affiliation. Again, this would only be necessary if party affiliation is a statutory requirement for board/commission position.

If appointed, candidates are expected to attend all regular and special meetings of the commission or board to which they are appointed. *Attendance records will be kept and reviewed from time to time. Continued and regular service to the commission or board will be highly considered for term re-appointment purposes.*

In many cases, board and commission members receive a modest salary, paid monthly annually.

If appointed, candidates are expected to dress and act accordingly in all public meeting venues. As an appointed member to a board or commission, you represent the Town of Burns Harbor in all your actions and dealings with the public to which you serve. You are encouraged to remember this.

All questions concerning your duties, expectations, regulations, laws, and the like should be directed to one of the following people: the department head that serves as staff to the Commission or Board on which you serve; or the Town Council President; or the Clerk-Treasurer; or the attorney for your board or commission.
